SHREK AT BONITAFEST

We had a booth at BonitaFest this year and Shrek was our mascot. We decorated our booth to look like Shrek's home and called it "Shrek's Shack."

Shrek was positioned right out front for people to get their picture taken with him. There was quite a crowd.

We brought a little photo printer along with us and printed out their picture right on the spot. Everyone wanted one, so there ended up being quite a line. People were just waiting their turn to be next to the big guy.

We gave away Shrek-Green toothbrushes.

Most people hugged Shrek, but some people held up their babies to kiss Shrek. It was very cute.

We had a drawing for the Shrek and Donkey stuffed animals. Everyone put their name in the drawing and at the end of the day, we drew six names for the prizes.

One of the winners was a girl from the Music Machine at Bonita Vista High School. She screamed so loud when she won that we thought we would have to call the paramedics.

All of us had a grand time and loved every minute of it. Southbay is a family community and we are very proud to be a part of it.

Debbie wrote a poem and titled it, "Shrek's Tooth Adventure."

Shrek's Tooth Adventure

Once upon a time, there was an ogre named Shrek
He lived in a swamp and his teeth were a wreck

Princess Fiona he did rescue, from her lonely tall tower
Was lovely and petite, just like a spring flower

Donkey his friend, saw their reflection in the pool
"Let's fix our teeth Shrek, so we don't look like such fools"

So they climbed out of the swamp and made a big splash
To Dr. Fuller's office, their teeth straightened in a flash

The moral of the story, is of course the best part
Dr. Fuller's a great orthodontist and he has an honest heart
